

PRESS RELEASE:

Stinger Medical Named a Top 100 Healthcare IT Company.

Publication: Business Wire

Date: Friday, July 27 2007

MURFREESBORO, Tenn. -- Stinger Medical, provider of mobile clinical workstations and point-of-care technologies, ranks 75th among the top 100 healthcare IT product and service providers as rated by Healthcare Informatics, a premier publication for healthcare industries. Rankings are based on revenue resulting directly from the healthcare IT sector.

"We are proud to be among this elite group of healthcare IT companies," said Gary Coonan, President and CEO of Stinger Medical. "This accomplishment is a merit to our sales team's strong efforts and dedication. We do what we do for a reason - Stinger Medical has made a company wide commitment to delight our customers and provide them with innovative point-of-care solutions. We work hard to become an integral partner with hospitals to enhance patient care."

About Stinger Medical

Stinger Medical is the leading manufacturer of mobile clinical workstations and point-of-care technologies for the healthcare marketplace. Customers value Stinger Medical as a long-term partner that consistently delivers unmatched products and services. Leveraging more than a decade of healthcare experience, Stinger understands the unique needs of healthcare providers. Stinger's 85,000 installations in the United States, the UK and Canada are a testament to their commitment to point-of-care product innovations, service and support. Stinger Medical is dedicated to creating products that:

- * Streamline workflow processes
- * Reduce errors
- * Enhance quality of patient care
- * Increase patient confidence
- * Put focus back on the patient
